The leading global provider of  
**meeting room booking, desk booking**  
and **space utilisation** solutions

# Powering Change

We are the leading provider of integrated meeting room, desk booking and space utilisation technologies. Our robust software and exceptionally designed hardware is the most feature-rich and versatile on the market. Condeco powers your business to change the way you work and manage your real estate more effectively.

Condeco's complementary product suite is designed to provide a seamless experience, with technology and insight informing one another to help you better understand and improve your workplace.

# Your total workspace management solution

Our suite of products are designed to work together seamlessly. This provides you with the flexibility to configure a solution that addresses your specific needs. Whichever solution you choose, we are confident that it will deliver on streamlining your workspace efficiency and maximising the use of your office space.

## Room Booking Software

Condeco Room Booking Software integrates managing meeting rooms, visitors, catering, hospitality, services and video conferencing, all in one seamless web-based system. This allows you to reduce no-shows, administration time and costs by making better use of your rooms and equipment. The system can integrate with Microsoft Outlook and provides a mobile version for users on the go.

- ✔ Maximise meeting room use
- ✔ Reduce admin time and costs
- ✔ Manage no-shows
- ✔ Integrate with MS Outlook

## Digital Signage

Our advanced digital signage helps people find and book office and desk space via our meeting room screens, desk screens and kiosks. Our signage solutions enable you to manage no-shows and get comprehensive reports about room and desk utilisation. With built-in RFID readers as standard, booking office space has never been easier.

- ✔ Interactive touch screens
- ✔ Fast and easy access
- ✔ Book directly from the screen
- ✔ Connect directly to MS Exchange

## Desk Booking Software

The Condeco Desk Booking application helps you to create tangible savings by getting the most out of your workspace. With a user-friendly booking system and graphical floor plans, you can manage desk sharing and maximise your desk space. The desk booking mobile app will offer your mobile workforce the facility to book a desk on the move.

- ✔ Enable flexible working
- ✔ Mobile booking app
- ✔ Cost effective workplace

## Workspace Occupancy Sensor

Condeco Sense allows you to identify the right quantity of real estate for your business. It does this by capturing real-time data about your occupancy using a wireless sensor. Then turns that raw data into insight that helps you to manage your workspace more effectively, maximise the use of your space and reduce costs.
